Mark:

Sorry in advance – can you take a very quick look at this one-pager (we have a 3:00 deadline on this one). Answers look fine to me, but what do I know???

**Example**

**Question:** Please outline in detail the costs to close these facilities and how EPA expects to absorb these costs within the proposed budget, including both the real estate costs of facility closure and the costs of personnel separations.

**Answer:** The FY 2018 budget request does not propose to close any EPA Environmental Protection Agency regional offices.

**Question:** How would EPA manage an immediate disaster response to a natural disaster, industrial accident, or terrorist attack affecting our environment that adequately and rapidly coordinates federal, state and local first responders, environmental agencies, law enforcement and others, in the total absence of a nearby regional EPA office?

**Answer:** The FY 2018 budget request does not propose to close any EPA regional offices.
